### **EMPOWER YOUR INVESTMENTS: SEBI'S NEW INVESTOR WEBSITE AS YOUR ULTIMATE FINANCIAL GUIDE**

In this competitive market being informed and vigilant about your investments are the primary need of our investors as well as our company. In this regard we are informing and awakening our investors regarding the Securities and Exchange Board of India (SEBI) has taken a significant step by launching a user-friendly website dedicated to educating investors on personal finance concepts. This comprehensive platform not only provides educational resources but also offers valuable financial tools for investors to assess and enhance their financial health. The said website contains information on personal finance and investment useful for existing and new investors. It also includes videos prepared by MIIs related to securities market process education and awareness messages.

The SEBI Investor Website aims to assist individuals in taking control of their money, leading to better outcomes in their investment journey. It offers guidance on managing money well and making sound financial decisions independently. The financial awareness topics, tools, and calculators available on the website can help people of all ages, backgrounds, and incomes to be in control of their financial decisions. The SEBI Investor website promotes confident and informed participation by investors in the securities market. From financial health assessment tools to investment calculators, these resources enable investors to make informed choices aligned with their financial goals. The interactive nature of these tools makes them user-friendly, ensuring investors of all backgrounds can navigate and utilize them effectively.

By redirecting to the website, you gain access to a wealth of information that complements your investment endeavors. Simply click on <https://investor.sebi.gov.in/> to explore the educational content, financial tools, and assessments tailored to enhance your investment knowledge.

Investors, including those associated with M/s Shelter Infra Projects Limited, can leverage this platform to deepen their understanding of personal finance, evaluate their financial health, and make well-informed investment decisions. Take the plunge into the world of financial wisdom – visit the SEBI website today and embark on a journey towards a more secure and prosperous financial future!

## Happy Investing !!

The graphic features a light blue background. On the left, a vertical line with four circular icons (money, books, calculator, heart) connects four text blocks. In the center, a laptop and two smartphones display the website interface. On the right, a QR code is shown next to a text box. The top right corner contains the website URL.
